

Dear Beech Class

Well it's been quite an exciting couple of weeks – mainly because soon after I sent the last learning pack, I learned from Mrs Ellwood that the government had allowed us to invite more children back into school.... and now most of you are here! It's so lovely to see so many happy, fit and healthy children in the classroom again. If you are not able to come to school right now, please don't worry. Just know that we miss you and are very much looking forward to your eventual return.

Being back at school – as many of you now know – is very strange to begin with, but I hope that if you have returned, it quickly started to feel ok again and any worries you may have felt have now disappeared. Remember to talk to a grown up – either at school or at home – if you feel worried about anything, so that we can help put your mind at rest.

I continue to be so impressed with all the lovely learning you have been doing at home – not just the tasks I have set you, but all the lovely baking, sports, helping out at home and learning new skills that you all seem to be have thrown yourselves into. WELL DONE! Whilst you have missed a few weeks of school, I'm pretty confident that your time in lockdown will be a time to remember – and whilst you may not even realise it now, I think you will look back and realise that it's been a very special time, during which you learned an awful lot!

Whilst many of you are in school either on Monday and Tuesday or Wednesday and Thursday, the home learning pack is for you to use for the three days that you're not in school. Therefore, unless you want to repeat activities, you should only do the learning for the days you're NOT in school! Each day is numbered as follows:

Week starting 29th June:

DAY 1 – Monday

DAY 2 – Tuesday

DAY 3 – Wednesday

DAY 4 – Thursday

DAY 5 – Friday

Week starting 6th July:

DAY 6 – Monday

DAY 7 – Tuesday

DAY 8 – Wednesday

DAY 9 – Thursday

DAY 10 – Friday

For those of you who can't come to school right now, I will be in contact if I haven't already and look forward to seeing you very soon.

Take care,

Mrs Bennett

PS – some of you already know this, but my big surprise was the arrival of my

....NEW PUPPY!

Meet Fred!
