

Dear Elm,

It has been lovely to see so many of you back at school the past two weeks, but we have certainly missed those of you who are not in! We hope that you are all still safe and well. How are you finding the home learning? Please send me an email to let me know how you are and what you have been enjoying doing at home.

I've been enjoying time back in school. It feels nice to get a bit of normality back even though it is a little strange that I only have half a class now.

I'm still enjoying walks along the canal and I keep seeing the swans. There's a family with four cygnets, a family with three and I found another family with two cygnets! So many! The picture below is the family nearest my flat and they have three cygnets who are getting much bigger now.

I baked some lemon cupcakes last week and delivered them to my partners family - they're so easy to make and very delicious! I think I'll be making some more very soon. Have you been baking anything at home?

I hope to see you all back in school soon, and if you can't be in school then I hope that you and your families stay safe and well and I hope to hear from you soon.

natalie.mcguire@greenway.herts.sch.uk

Take care,

Miss McGuire
