

Dear Green Ash,

It has been so lovely to see and teach most of you again! It has been wonderful hearing all your news and jokes! For those of you who aren't back at school, we all miss you and I look forward to hearing your news in your emails. 😊 I might even be able to have a chat with you on the telephone.

I have planned activities and learning linked with snails this time.

I hope you enjoy it as much as all the other learning themes. Have you seen many snails?

There also may be links with a whale as well. What do you think one of the books I've chosen could be? 'The Snail And The...'?

Keep having fun with your learning and looking out for wildlife and mini-beasts.

Remember to be kind and helpful at home as well.

With love from
Mrs Tritton xxx
