

SPELLING, GRAMMAR & PUNCTUATION

Over the next two weeks I would like you to have a go at one of the 'SPAG MATS' I have saved in the home learning pack each day if possible. They are a great opportunity to revise many of the Spelling, Punctuation and Grammar learning we have focused upon in Year 3.

You do not need to print the sheets out unless you would like to. Simply write your answers on a piece of paper – for example, if the question asks you to match words by drawing a line, instead just write your matched words on paper.
