

Dear Three Bears,

Why are you writing to the bears?

What is the first reason to be sorry?

What is the second reason to be sorry?

What is the third reason to be sorry?

Can you include a question at the end of your letter? What could you ask?

- Are you able to forgive me?
- Would you like to come over to my house for porridge?
- Can I make a new chair for Baby Bear?

From Goldilocks
