Friday 19 June 2020

Dear Parents/Carers,

Summer holiday activities camp

You will appreciate that we have been working very hard this week to ensure that all children may be welcomed back to school during the week commencing Monday 22 June.

We have been aware of promises made by the Secretary of State for Education (Gavin Williamson) on 10 June and of comments in the media around the possibility of Government introducing a summer 'catch up' programme and rolling out possible holiday activities resources for parents. Government guidance is still awaited.

During this difficult time we are very conscious of the issues facing parents (particularly for those working) with a long summer holiday period approaching and have been considering ways in which we may be able to support Greenway families, conscious of the fact that much of the normal childcare provision will be unavailable this year.

Governors and I have been working on the possibility of running an activities camp for 4 weeks in the summer holidays at Greenway (for Greenway families only). We will be sending out an expression of interest survey next week to enable us to see whether this **may** be viable having ascertained whether or not it might be welcomed by you.

We will be in touch next week.

Regards
Katharine Ellwood

Headteacher
