Dear Parents/Carers

### **New staff joining Greenway in September**

As you are already aware we have some staff members leaving Greenway at the end of this year and I am now in a position to introduce you to our new members of staff joining us in September. We are delighted that they are joining our team and I know you will give them a warm welcome.

#### **Miss Gohel**

Miss Gohel graduated with a Bachelor's degree in Geography before completing her PGCE. She worked in a primary school near her hometown in Watford whilst completing her Master's degree in Education. Miss Gohel has always wanted to teach primary school children. She believes all children are capable of reaching their full potential and will go out of her way to ensure she can help them prosper. In her spare time, she enjoys listening to American country music and spending time with her family and friends. She is also a keen traveller: she managed to visit 10 different countries in 2019! She is very excited to be joining the Greenway team and is very much looking forward to meeting everyone soon.

#### **Mrs Clerc**

Mrs Clerc will be working as a PPA cover teacher in Key Stage 2. She is looking forward to having the opportunity to work with so many different classes and is really excited to meet everybody properly in September. Prior to joining Greenway, she taught in another primary school in Hertfordshire for several years. She is particularly looking forward to teaching French, as she studied languages at university and she is passionate about this subject.

## Miss Bassil

Miss Bassil graduated with a Bachelor of Education with Honours, specialising in English. She has worked in two different primary schools in Hertfordshire and is very much looking forward to working at Greenway and meeting everyone! In her classroom, there is always lots of room for perseverance, exploring and having fun! When she is not teaching, she enjoys baking delicious cakes and biscuits, running, trampolining, reading books and being creative, especially with glitter!

## Mrs Coleman

Mrs Coleman graduated with an Early Years degree and has spent her career in a variety of Early Years settings supporting children. She is looking forward to working at Greenway as an Early Years Practitioner in Reception, working closely with Miss Bassil. She cannot wait to meet everyone!

I also wanted to share with you where teachers are placed next year, in readiness for next week's transitions. Your child's new teacher will meet them on the field when they attend their transition next week and they will spend their session in their new classroom. I know that the staff are very excited and are eager to meet their class.
