

Friday 11 September 2020

Dear Parents/Carers

### **The children**

The staff and I have been so impressed with how the children have settled. It was always going to be a difficult transition back into full-time school, however the children have embraced it so positively. Our Nursery and Reception children have particularly impressed me. A new routine, for some children a new school and they have coped brilliantly.

### **Hot lunches**

Today we trialled a hot lunch keeping all the children in their year groups. This has taken a lot of planning and re-thinking of routines. The children were exceptional in how they conducted themselves. As today went so smoothly, we are now planning to provide a hot lunch every Friday.

I know some families have provided a home packed lunch instead of taking the school packed lunch option. If you would like your child/ren to have the hot lunch option on a Friday, please can you email the office on [admin@greenway.herts.sch.uk](mailto:admin@greenway.herts.sch.uk) by next Wednesday 16 September. We cannot accept any orders past this date. Thank you

### **COVID Guidance**

New COVID regulations come into force on Monday. Please can I remind you that we need to socially distance and not congregate on Crossways or in the alleyways. The drop off and pick up arrangements have worked well and I thank you for your cooperation.

### **Hot weather**

You will be aware that hot weather will be with us next week. Please can I remind you to put sun cream on your child before school and that your child brings in a named sunhat. They will also need their named indoor shoes.

Have a lovely weekend and see you on Monday!

Regards

Katharine Ellwood
