Berkhamsted Advent Windows is a community project to bring extra happiness to the town this December.

Each evening from 1st-24th December 2020, Berkhamsted residents unveil a festive-themed window which is then lit-up every subsequent night until 5th January. Lights go on in the windows from 6pm-10pm.

By Christmas Day, 48 windows are revealed, creating a fabulous festive wonderland.

Families can walk, cycle, scoot or drive around town looking at the living advent calendar.
