

Friday 27 November 2020

Dear Parents/carers

Along with this letter you will be emailed a poster promoting a pop up Christmas tree sale, which takes place at the The Old Mill in Berkhamsted, starting this Saturday from 9am-5pm.

For every tree sold, £7 will be donated to your child's school.

When you purchase your tree you will be asked which school your child attends. You will appreciate that due to COVID our fund raising events have had to be cancelled or changed to a remote format. The Christmas tree sale provides us with another funding stream to support Greenway.

Please can I ask you to consider this opportunity before purchasing your Christmas tree this year.

Many thanks
Katharine Ellwood
Headteacher
