

22 January 2021

Dear Parents/Carers,

Nursery Provision

Thank you for your continued understanding of the situation with regards to the closure of Nursery.

It is with great regret that I am now writing to advise you that Nursery will remain closed at least until February half-term. Due to the lack of staffing capacity, it is operationally unviable. Mrs Tritton has confirmed that I may share with you that she tested COVID positive during the Christmas holidays and unfortunately, she is now suffering from long COVID symptoms and is at home recuperating. I speak to her regularly and I know she wishes she was fit enough to be back at work. We wish her a speedy recovery.

Mrs Tritton will continue to upload onto Google Classrooms a variety of activities for the children to complete each week. These will be available from Monday morning. I am sure you will appreciate that given her current circumstances Mrs Tritton will not be responding to emails or work uploaded to Google Classrooms.

Please do not hesitate to contact admin@greenway.herts.sch.uk if you have any queries or concerns and we will respond accordingly.

Regards

Katharine Ellwood
