Greenway Primary & Nursery School
Remote Learning Parent/Pupil Code of Conduct

Greenway's remote learning will be delivered via the digital platform G suites, using Google Classroom and Google Meet. This is best undertaken via a computer.

Parents should:

- Advise the school if their child has difficulty in accessing remote learning.

- Ensure that their child has a quiet place to work with access to appropriate technology

- Log into Google Meet via Google Classroom for a 'class meet and greet' with their child and the class staff on Monday and Friday (preferably) each week.

- Support their child in accessing and then submitting work via Google Classrooms

- Advise the school if your child is unwell via admin@greenway.herts.sch.uk

Pupils should:

- Log into Google Meet via Google Classroom for a 'class meet and greet' with a parent and the class staff on Monday and Friday (preferably) each week.

- Understand that all work for the day's lessons will be posted to Google Classroom.

- Understand that when submitting work they will need to follow the instructions of the class teacher.

- Understand that if they need to contact a teacher, use Google Classroom or the class teachers email, but be aware that teachers might not be able to respond immediately.

Pupils should never:

- Use any other person's work or copy and paste information that is not their own

- Share content from Google Classroom on social media or in any other way

- Attend a Google Meet without a parent
