

BookSpace's Lockdown Learning

A booklist for KS1 pupils

Reading for Pleasure Booklist

Key Stage 1

Over the last year, with so much time spent at home, our children's favourite books have been read and re-read more than ever before. If you feel it's time to try something new, but with libraries and bookshops closed you're not sure where to start, we hope our Lockdown Booklist will be helpful.

The BookSpace team have worked their way through all the lists of recommended books published in 2020 and selected the ones that we think are most likely to capture children's imaginations and become their new favourites.

Where possible we've also provided a link to activities which can be used to support your child's reading experience but, as with the book choices themselves, we've focused on resources which are fun and engaging. We've also provided a link, where available, to listen to the author reading an extract from their book which is a good way of your child checking out if it's the book for them.

If you have any feedback, we'd be delighted to hear from you.

Best wishes,

The BookSpace Team

Astrid has loved the stars and space for as long as she can remember. "I want to be an astronaut!" she says to everyone who will listen. While her mama is away, Astrid and her papa have fun acting out the challenges an astronaut faces on a space mission — like being in zero gravity ("I can do that all day long!" she says), eating food from a kind of tube, and doing science experiments with the help of cookie sheets. When at last it's time to meet Mama at the air base, Astrid wears her favourite space T-shirt to greet her. But where exactly has Mama been?
