Reading for Pleasure Booklist

Key Stage 2

Even at the best of times encouraging children to read for pleasure can be an uphill struggle, but during lockdown it can be harder still. After a long day of home learning how do you find the time and energy to search for a book that will quickly engage your child and get them reading?

We hope that our Lockdown Booklists might go some way to solving this problem. The BookSpace team have worked their way through all the lists of recommended books published in 2020 and selected the ones that we think are most likely to capture children's imaginations and get them reading for pleasure.

Where possible we've also provided a link to activities which can be used to support your child's reading experience but, as with the book choices themselves, we've focused on resources which are fun and engaging. We've also provided a link, where available, to listen to the author reading an extract from their book which is a good way of your child checking out if it's the book for them.

If you have any feedback, we'd be delighted to hear from you.

Best wishes,

The BookSpace Team
