### Do you know what the HCC Local Offer is?

The Hertfordshire Local Offer lets parents and young people know what special educational needs and disabilities services are available in Hertfordshire, and who can access them.

The website has a wealth of information for parents and young people (0-25 years) about services available in Hertfordshire. The site has learning resources as well as details of courses, events and short breaks all designed to help families with children with special educational needs or a disability. The Education Support pages of the site give detailed information for families on how to access support and how to navigate the many complex procedures and processes involved.

You can find the website at:

## COVID - 19

**Please can we remind you that we all have a responsibility to take steps in helping reduce the spread of coronavirus, particularly as we do have the new Delta variant in Hertfordshire. With this in mind, all families are required (unless exempt) to adhere to the following points to ensure a safe arrival and departure at school for all involved:**

- Only one parent or guardian should drop off and pick up their child/children to reduce numbers outside school;
- Stay 2 metres apart from anyone not in your household in your journey to and from school and whilst waiting;
- Refrain from lengthy face-to-face conversation with staff or other families - use digital communication methods during lockdown where at all possible;
- Go straight home after dropping and/or collecting your child/children;
- All parents who drop off/pick up their child/ren and come onto the school site to do so wear face masks. This also includes those parents/carers who drop off at Breakfast Club and who pick up from Wacky and after school clubs.

**Please may I also remind you that when you are waiting on the school grounds to collect your child/ren, any siblings already collected do need to stay next to you and not run around the school grounds. You will appreciate that we are trying to keep children in their class bubbles during the school day and we do not want to encourage any mixing of these bubbles once school has finished.**
