Dear Parents/carers

**St Thomas School will be closed for their occasional day  
on Friday 26 November**

Arrangements for dropping and collecting children at Greenway will be different as there will be no access to Greenway school via St Thomas More's main entrance or side gate. For those families who would normally use these access points our side gate off Gilbert Alleyway will be open before and after school just for this Friday.

Thank you for your cooperation in this matter.

Regards  
Katharine Ellwood
