Dear Parents/carers

### Greenway Christmas Fair

Following the letter you received last night from the Director of Public Health, regarding changes in the protective measures being implemented in school to stop the spread of COVID, the GSA have discussed the plans for the Christmas Fair with Mrs Ellwood and Miss Dell.

We have had to make the difficult decision that the Fair format as it currently stands will have to be re-assessed. This unfortunately means there will be no Christmas Fair on Saturday the 11 December as advertised.

Instead, we are working on a plan which aims to move the child-orientated elements of the fair (Jazzy Jars, Elfridges, Grotto, hand-made Christmas crafts) into the school days on Thursday 9 and Friday 10 December so the children can still enjoy plenty of Christmas spirit within school hours and on school premises. We will also be asking classes to support the creation of themed hampers for the raffle!

We are sad that yet again we are unable to come together as a full community but are excited that the children can still have Christmas at Greenway and we can still raise some funds in the process.

Further communication on Elfridges and Grotto bookings will be released in due course.

For now we hope you understand the decision we have reached and welcome any thoughts / questions via the GSA email.

Regards

Mrs Ellwood and The GSA
