

Children are at the centre of everything we do

Tuesday 2 November 2021

Dear Parents/carers

I do hope you managed to have a relaxing half term break.

I thought it would be would be useful to update you on a few things.

Internet fault

Thank you for your cooperation yesterday with regards to our loss in internet connection. Thankfully this was restored by the end of the school day! Thank you to Class Representatives who we had contacted to send a message via your class WhatsApp's groups.

Harvest

A big thank you to all your contributions. The HOPE foodbank at Kings Road Church were overwhelmed with your generosity and these donations will be able to help the most vulnerable people in our local community. They would like to convey their sincere thanks to you all.

Parents Evening

It was lovely to see you on parents evening before half term. I do hope that this was a useful appointment with your child's class teacher and that you had the opportunity to look at your children's work.

Gilbert Alleyway

We have been in touch with Dacorum Borough Council about the clearing of leaves and cutting back the hedges in the alleyway. So fingers crossed that this is completed in a timely fashion.

Greenway Mural

Over half term Mrs Bennett and Mrs Doran completed the last sticking of the plastic lids which were high up off the ground. It looks fantastic and a huge thanks to Mrs Bennett for the original idea! We still have spaces for some pink plastic lids so if you happen to have some please pass them onto us!

Bonfire Night

As in previous years we are offering tickets for the BerkBang- The Rotary Fireworks event on Saturday 6 November. If you buy in advance through Greenway, you will receive tickets at a reduced rate plus an additional commission for the school.

Adult	£8.00
Under 16years	£5.00
Family (2 adults, 2 children)	£22.00

Children under 5years are free entry.

COVID

Thank you for your continued cooperation with COVID measures. Drop off and pick up at school is running smoothly and the office appreciates parents efficient admin rather than popping into the office!

We are continuing to monitor the number of cases of COVID within the school. These are slowly increasing but remain low. We would respectfully remind you not to send in your child/ren if they are unwell and continue to be vigilant for COVID signs and symptoms.

Regards
Katharine Ellwood
