Girls Under 11 Butterfly National School Table Tennis National Champions 2022

Table Tennis

On Sunday 3rd April, our girls under 11 table tennis team went to Wolverhampton to compete at this years National finals. Greenway were 1 of 4 teams to reach this stage after a long campaign which extended from area finals, county finals, zonal finals, regional finals and now the national finals.

The team got off to a flying 8-0 win against Bankfields from Teeside. Next up, Burbage primary from hinckley which proved a tougher match but Greenway still ran out 7-1 winners. Dominant displays from Ava and Annabel saw Greenway through. This set up a final clash against the reigning and defending champions, Fox Primary (Kensington). Both teams had been flawless so far and Clemence was first up against the rank 1 from fox. Clemence put on an emphatic display to take the win and set the tone for Greenway. Riley and Lucy followed up with wins to give Greenway a 3-1 going into the halfway point. Riley then came out of the blocks fast against the Fox rank 2 to take the lead to 4-1. Greenway now needed just 1 more match out of the remaining 3 to win the title. Clemence was up next and again put on a strong display to take the 5th win for Greenway. The score finished 5-3 and Greenway were crowned National Champions! Well done to Ava, Annabel, Lucy, Riley and Clemence! We have also had some Greenway children take part in the Herts individual competition. Our boys (Daniel W, Ben H and Lucas) had a tough draw (including the newly crowned national individual champion) and played against some strong opposition. All managed to bounce back to take games off their opponents. Well done to all!

The girls from Greenway filled most of the spaces in the girls category. Greenway girls (Riley, Lucy, Clemence and Annabel) managed to take the top 4 spots at county. Riley came out as the winner with a 3-way tie for 2nd between the other Greenway girls. Eventually, Lucy claimed 2nd spot on individual sets won.

Riley then went to the individual national finals in Wolverhampton to represent Hertfordshire on 2nd April. Riley was placed in a tough group with the top seed in England. Riley played phenomenally and took the 2nd place in the group which put her through to the last 16. Another tough draw saw Riley face a strong opponent 2-0 down. After a pep talk, Riley gained some composure and bounced back emphatically to win 3-2. This meant Riley had reached the quarters and top 8 in the country. Sadly, this was as far as Riley would go after a difficult match to the England rank 2.

A fantastic achievement from Riley who reached top 8 in the country at the Butterfly Schools individual national finals 2022! Well done!

The year 3 girls team (Alice, Chloe and Matilda) managed to take 3rd place in their race after a superb battle for first which saw Alice narrowly take 2nd place!

Greenway County Cross Country

The year 6 Cross Country teams embarked on St Albans, Westminster Abbey to take part in this years county cross country event.

The course is known for having some difficult up-hill sections and is notoriously muddy. The course had changed this year for the Primary age groups but still boasted these tricky sections.

The boys and girls team did phenomenally, sticking together and getting each other through the race.

A fantastic effort from all involved! Well done to Eva, Esme, Ellie, Daniel L, Daniel W and Alf!
