

Stars for Santa

We would love to create a display of stars for Santa to have in his Grotto. You can make any type of star you like, cut out, 3D, use your imagination but we would love white, gold or silver paper/card please. You can write your Christmas wish, sign your name or leave it plain.

It's up to you.

Please bring your stars to school once you've made them anytime before Friday 9th December.

thank you
