

Children are at the centre of everything we do

5 December 2022

Dear Parents/Carers

We currently are experiencing a high number of children who are not well and are coming to school. As a result we have a number of staff also suffering with seasonal illness.

We respectfully ask that if your child is unwell then please do not send them into school, this will hopefully help to stop the spread.

Please can we remind you of the below points taken from the welcome to your new class presentation.

- If your child requires Calpol/Paracetamol to come to school then they should be at home!
- Antibiotics will only be administered if required 4 times a day, unless attending Waccy

Regards

Katharine Ellwood  
Headteacher
