Dear Parents/Carers

KS2 Carol Concert

We have all been looking forward to the school's Key Stage 2 Carol Concert which is of course due to be held tomorrow.

This afternoon, my senior leadership team carried out a risk assessment on walking to All Saints Church from Greenway. We have concluded that unfortunately there is no safe route to the church, with pavements and alleyways still covered in compacted snow and ice. With the continuing -4 temperatures at night the ice is unlikely to shift until the weekend.

Therefore, we cordially invite you to come and watch our KS2 Carol Concert outside on the main playground at 2pm tomorrow. We did not want to cancel this event and hope that you appreciate our alternative plan which will capitalise on the festive, snowy setting at Greenway!

Please can you ensure that your child/ren are in their school uniform but are wearing lots of layers, have a warm coat, hat/gloves and are in appropriate warm trousers or jogging bottoms. They will also need to wear appropriate outdoor footwear, as the playground is still covered in snow!

Parents will not be seated so you will need to come prepared to stand for the Concert in warm clothing too!

Once the Carol Concert has ended the children will return to their classrooms, where you will be able to collect them from their classroom doors as normal.

I look forward to seeing you all tomorrow.

Regards

Katharine Ellwood
Headteacher
