Dear Parents/Carers

What a busy week!

As you are aware we have had an Ofsted inspection this week – a single inspector spent two days in school on Tuesday and Wednesday meeting with staff; governors; pupils and parents. We have been told that we are likely to receive the inspector's report after the Easter holidays at which point it will be published on the school website and we will write to you with some more detail. Until then we are not allowed to share any information with you about the outcome of the inspection. This is entirely normal procedure for Ofsted.

We would like to thank all those parents who completed the Parent View survey circulated by Ofsted and to all those of you who sent lovely messages of support as well as edible goodies – your kindness and thoughtfulness were much appreciated by all staff.

We were due to have a Governing Body meeting on Monday evening but cancelled this to enable staff to focus on Ofsted. We will be writing to you next week in connection with one or two issues that were on the agenda for discussion at that meeting not least the Greenway annual parent child questionnaire and the Parent Forum minutes.
