

Thursday 27 April 2023

Dear Parents/carers

**Thursday 4<sup>th</sup> May – King's Coronation Celebrations!**

To celebrate the King's Coronation we would like to invite you to a whole school picnic on the school field, so that you can have lunch with your child/ren and share in the celebrations! If you have more than one child, I would suggest sitting with your youngest and siblings can join you. Please come to the main gates at 12.15pm and I will meet you.

This will be weather dependent and unfortunately if poor weather then we will have to cancel parents attending.

*Nursery children are all invited and they will be collected from the nursery classroom door at 1.15pm. Nursery children who normally access 30 hours will stay until 3pm.*

Those children who would normally have a school dinner on this day, will be ordering a school packed lunch with the options of a ham, cheese or tuna baguette. For those children and all parents who will be bringing in a packed lunch from home, please can I remind you not to bring in any of these items below, due to some of our children having severe allergies. Thank you for cooperation in this matter.

**Foods not allowed:**

Eggs, sesame (including humous), nuts, avocado.

If you have a spare picnic blanket that you would kindly let your class teacher borrow for this event please inform them.

We hope that it will be a dry and sunny day!

Regards  
Katharine Ellwood  
Headteacher
