Mini Police

Dear Parents

We are delighted to be working with **Greenway Primary School** this term to deliver our **Mini Police Project** to **Year 5 Students**. The programme is a means of engaging children within their communities, whilst educating and delivering important messages about safety and the risks of criminality. We also hope to break down barriers whilst giving the children a voice in shaping their role as future responsible young adults in the community.

The Mini Police scheme is an eight-week programme conducted within the primary school setting, the programme at **Greenway Primary** will be delivered by the Children and Young People Team, with some guest appearances from specialist officers along the way.

The programme includes one visit every **Tuesday afternoon starting from Tuesday 23rd May 2023** lasting around 60 minutes and this is a summary of what to expect in the programme:

- **About Me Session**
- **Anti-Social Behaviour and environment lesson**
- **Road Safety / Bullying & Internet Safety**
- **Personal Safety**
- **Interactive session**
- **Helping in the Community**

These sessions will be a mixture of classroom based and interactive sessions and the children will have the opportunity to dress up in the Mini Police uniform each week.

We hope your children will find this a fun and informative experience.
