

Children are at the centre of everything we do

Dear Parents\Carers

8 June 2023

Year 2 and Year 5 Educational Visit

The Berkhamsted Partnership is a group of local schools involved in science projects across the town. A small group of children from each of these schools has been invited to visit Ashlyns School, Berkhamsted for a Fun Science Quiz.

While at Ashlyns School, the children will work as a team to solve science related problems and answer questions.

The children will be accompanied by two staff members from Greenway and will walk to and back from Ashlyns with them. We will all meet at Greenway School at 8:50 am. The event is due to finish at 12:30 pm so the children will need a packed lunch on that day. This will be provided by the Greenway kitchen if the children normally have a cooked meal.

The visit will take place on:

Wednesday 5th July 2023

Children should wear school uniform, wear comfortable shoes and bring a suitable outdoor coat.

Refreshments will be provided at the Science Quiz and the children do not need to take anything with them.

There is no cost for this trip but we require your consent via Arbor or via the consent form below by Friday 30th June. (If using Arbor, please ensure the details we hold on file are correct).

With best wishes,

Mrs Julia Adams (Science Leader).
