Google Classroom Update

Dear Parents/Carers,

We are utilising Google Classroom across the school in the same way as we have done over the last year. Pupils are automatically enrolled into the correct class on Google Classroom.

Children's usernames are in the same format as before: first name last name initial @greenway.herts.sch.uk (i.e. John Smith would be johns@greenway.herts.sch.uk)

Passwords are in the same format as last year except for the current Year 3s as they now have unique ones. For Early Years and KS1 children, the password remains their year group.

Passwords:

Nursery - Nursery

Reception - Reception

Year 1 - Year1

Year 2 - Year2

Year 3 and upwards - initials and date of birth. (i.e. John Smith born on 05/11/2014 would be js051114)

Home learning will be set on Google Classrooms as usual on Friday 15th September at 3pm so please have a go at logging into the new account by then. If there are any issues, please contact your child's class teacher.

Regards

Katharine Ellwood
Headteacher
