

Children are at the centre of everything we do

13 October 2023

Dear Parents/carers,

History off the Page Day - Year 2

As part of our History and Design and Technology theme this term, Year 2 will be taking part in a *History of Toys Day* in our school hall on:

Monday 13 November 2023

We have a history expert leading the day. The day will consist of a Toy Museum, where children will investigate different types of toys from different eras, an Archaeology investigation and a creation session, where children will make their own traditional toys from a range of materials. This will also reinforce our Science theme, Materials.

The cost for this visit is **£14.35** per child and payment should be made on Arbor under the 'trips' tab, (included in this cost is £1.00 for annual insurance cover for this school year for school activities and personal accident cover whilst on site). As always, this amount will be a voluntary contribution but if we do not receive sufficient support then the visit cannot take place. Payment should be made by **Monday 6 November**.

We would like all pupils to take part in this visit but if you have any problems with this please contact Mrs Ellwood as soon as possible. If you hold a Dacorum discount card or are eligible for Pupil Premium funding then the voluntary contribution is reduced to **£2.87**.

We have parent helpers for the day so we are prepared for the day- thank you for the support! Lunch is at school, like a typical day.

Many thanks,

Miss Dell
Year 2 teacher
