

Children are at the centre of everything we do

3 November 2023

Dear Parents,

**Read Write Inc. Parent Workshop  
Tuesday 21 November  
7-8:30pm**

Read Write Inc. is the Phonic scheme used to teach your children to read. I would like to invite you to a parent workshop, providing you with an insight to the teaching of reading at Greenway, your child's reading journey and sharing valuable teaching strategies to support your child's reading at home.

Learning to read is the vital life skill. We want your child to love reading – and to want to read for themselves.

All parents are welcome. **I would strongly suggest attending if your child is in Nursery to Year 2, as these are the year groups when Read Write Inc. is taught.**

Please use the below link to confirm if you will be attending the evening or not so that resources can be gathered for the evening. **The deadline to sign up is Friday 17 November.**
