

Children are at the centre of everything we do

Free Milk in Nursery/Reception
Summer term 2024

8 March 2024

Dear Parents/Carers,

The local authority provides milk free of charge for all under fives in school.

Your child will be eligible for free school milk if they will be **under 5 up to and including 23 July 2024**.

If your child is in Reception, has their 5th birthday in the Summer term 2024 and you would like your child to have school milk then please see the letter for **paid school milk**.

If your child is eligible for free school milk but you do not require it then please email admin@greenway.herts.sch.uk and let us know otherwise, we will order it for them. Children who are entitled to benefit related free school meals are entitled to Primary free milk and this will be automatically ordered for them unless we are told otherwise.

Kind regards,

Mandy Clutson
School Office
