

Children are at the centre of everything we do

Dear Parents/Carers

7 June 2024

During the week of 1st July, we are inviting parents in for our **Early Years Open Mornings**. This is to enable you to have some time in Nursery or Reception with your child/children. We usually do some crafts, and have some of their favourite construction toys out etc. Children enjoy showing their parents what they enjoy learning and playing with in their class.

The Open Mornings will take place on Monday 1st, Tuesday 2nd & Thursday 4th for Nursery and from Monday – Thursday for Reception, from 9.00-9.45am.

Unfortunately, due to other commitments taking place on Friday (and Wednesday for Nursery), these days will not be open to parents.

Please note that the Open Morning activities are **not suitable for siblings**. We have scissors, craft materials and small pieces, and it is a nice time for you to be with your Nursery or Reception child/children. Parents often take turns to look after younger children, and it usually works out.

We politely request that a maximum of 2 adults attend for each child otherwise, it can become overwhelming for children whose adults are not visiting that morning.

There will be a form displayed on both the Nursery and Reception boards for parents to sign-up to one of the available dates – you will appreciate it isn't possible for you all to visit on the same morning.

We look forward to seeing you at the Open Mornings.

With kind regards,

Lorraine Tritton
Nursery teacher & Early Years Lead
