

Children are at the centre of everything we do

Free Milk in Nursery/Reception  
Spring term 2025

29 November 2024

Dear Parents/Carers,

The local authority provides milk free of charge for all under fives in school.

Your child will be eligible for free school milk if they will be **under 5 up to and including 4 April 2025**.

If your child is in Reception, has their 5<sup>th</sup> birthday in the Spring term 2025 and you would like your child to have school milk then please see the letter for **paid school milk**.

If your child is eligible for free school milk but you do not require it then please email [admin@greenway.herts.sch.uk](mailto:admin@greenway.herts.sch.uk) and let us know otherwise, we will order it for them. Children who are entitled to benefit related free school meals are entitled to Primary free milk and this will be automatically ordered for them unless we are told otherwise.

Kind regards,

Mandy Clutson  
School Office
