

Children are at the centre of everything we do

The Hospice of St. Francis Carol Service
Friday 6th December Rehearsal, and Sunday 8th December CONCERT
FINAL ARRANGEMENTS.

Friday 22 November 2024

Dear Parents and choir members,

As the rehearsal and concert dates draw near, I wanted to write to you with some important final details for the event. The Hospice are looking forward to us coming and bringing that all important Christmas feeling to the event, with our fantastic music! Please see all the details below for the day: **PLEASE READ ALL DETAILS CAREFULLY**

- The rehearsal on Friday 6th December starts at 3.30-5.00pm and children will come straight from school into the hall (STM children will come over with a teacher). Children will need their water bottle and a snack.
- The rehearsal will be held at Greenway School in the main hall.
- As per the original letter where you were asked to 'save the dates' ALL choir members will need to attend the final rehearsal on 6th December to support our part singing and confidence ahead of the main concert.

On **Sunday 8th December** at the Cathedral concert, please meet your school staff at the main front doors of the Cathedral. Our rehearsal slot is from 1.45pm, so please arrive by **1.00pm** in order to start promptly. Parents can leave children from 1.00pm and will need to be back at the event for a **3pm start**. All children will need a drink and snack for the time in between the rehearsal and performance. At the end of the performance, please check with your school as to how they will ensure children and parents are reunited safely. Concert dress is School uniform trousers/skirt and a Christmas Jumper.

Photos will be taken by the hospice photographer and we will assume photo consent is given unless parents advise us otherwise.

I am looking forward to seeing everyone at this very special event.

Best Wishes
Mrs Nyree O'Brien
