

Sports Newsletter

Sports Newsletter

Welcome to our first sports newsletter of the 2024-25 academic year. In this newsletter, we will update you on all things sport so far this year at Greenway. Children have participated in Football, Netball, Table Tennis, Basketball and Cross-Country competitions with many more to come in 2025!

Sports Ambassador Training

Basketball
Basketball updates from our 6 team.

Cross Country
Year 5 and 6 district cross country update.
Year 3-6 Ashlyns cross country update.

Table Tennis
District and County update.

Sports Ambassador training

The Greenway Sports Ambassadors went on their training day back in October.

At their training they met Jordan Thomas, former World Karate Championship gold medalist from Luton, England. Jordan gave an inspiring talk to the children about how they can get children active back at school and his phenomenal Karate journey.

The ambassadors are trained and ready to get Greenway active throughout 2025 with many exciting ideas to come.

Football and Netball Updates

The football and netball teams have mostly started their campaigns across many friendly and competitive leagues. Many more fixtures are to come in 2025. We look forward to supporting our teams and seeing how they get on. We have 2 boys football teams, 2 girls football, teams and 2 netball teams so it will be a busy spring term of fixtures!

BASKETBALL

Our year 6 basketball team had a very successful term.

In our district competition they manage to get through to the finals as group winners and bounced back from a half time deficit to win the finals.

This meant they were selected to represent Dacorum at the Herts School Games Finals! After a tough competition, they didn't make it out of the group. We are all immensely proud of the team! Well done to everyone who took part!

CROSS COUNTRY

District Cross Country

Our cross-country teams got off to a fantastic start with storming wins at the district cross country competition.

Our boys team managed to get a grouping of 26 when combining their finishing positions, aiming for the lowest score, which meant they won their team competition. The girls had a grouping of 24 which meant they won the girls team competition. A total grouping of 50 meant Greenway won the district cross country overall! Well done to all those involved! We have county cross country coming up!

TABLE TENNIS

Our boys and girls table tennis teams won their district competitions with the boys' teams finishing 1st, 2nd and 4th. The girls' teams finished 1st, 2nd and 3rd. Our top teams went through to county finals where our boys performed well and finished 4th in their group. The girls won the group and semis but sadly lost in the final. Their silver medal means they are through to the east area competition in January!
