Dear Parents/Carers

Parent Discussion Group

You will be aware from my end of term letter that I sent just before the Easter break that there had been a very low response to my request for parents to put themselves forward to be on our Parent Forum. This was disappointing.

Parental views and feedback are very important to the school. I am now proposing to meet with any parents who are free (max two parents from each year group on a first come first served basis) to discuss the new catering arrangements and school finance.

I am proposing to meet on Thursday 8 May at 9am.

If you are interested and can attend, please can you email admin@greenway.herts.sch.uk and put in the subject heading : Parent discussion group

It would be good to have each class represented, but I know that we do have parents with more than one child and therefore they could cover more than one class!

I look forward to working with you.

Regards

Mrs Ellwood
