

23 April 2026

Dear Parents/Carers,

Review of Pricing Structure for Extended Provision

It is some time since we have reviewed our pricing structures for the school's wrap around provision. I have worked with governors to do so acknowledging the financial pressures that many families are facing whilst also looking at the school's costs of running the provision and the quality of that provision plus bench marking ourselves against other providers.

With this in mind we have determined that from 1 September 2026 fees will be as follows:

Morning Movement Club (anticipated start after October half term) £4.00 per session (remaining at same price)

Breakfast Club £7.00 per session (increase of 50p)

WACCY (Year 1-Year 6 inclusive) 3.20-5.30pm £15.00 per session (increase of 50p)

WACCY Reception – Year 6 inclusive 5.30-6pm £4 per session (increase of 50p)

After 6pm Late Fee £15 for every 15 minutes after 6pm

Sibling discount per child will still apply for WACCY £1 per session

As ever, please do let us know if you are experiencing financial difficulties and are unable to pay these small rises.

We will contact you with invoices etc in the normal way at the start of next term.

Regards

Katharine Ellwood

Headteacher
