Dear Parents and Carers,

At Greenway Primary & Nursery School we are continually looking at ways to best support our school community.

Following COVID and after consulting parents we closed WACCY on a Friday as there was a poor demand for places and therefore it was not financially viable.

We are now seeking your views to establish what demand there may be for a Friday WACCY place. Governors and senior leaders will review the findings to establish whether there is sufficient demand to ensure that the provision is financially viable before committing to re-open places on a Friday.

Your views are incredibly important to us, and we would be grateful if you could take a few moments to share your thoughts by completing the link below.

It is very short survey and will take less than 5 minutes to complete. Please submit your responses by Monday 6 July.

Thank you in advance
