Key information

- All children need to bring in a named water bottle every day and a healthy snack (e.g fruit, veg, plain carb – **no sesame, kiwi, houmous, eggs or nut products**)

This is to keep ALL children safe!

- All admin that needs to go to the office please email admin@greenway.herts.sch.uk
- If your child has a medical/physical condition about which we are not aware, then please let us know asap. If they require any medication to be administered at school then we must have written consent.

Please ensure that if your child requires an auto-injector or inhaler, that we have this in school and it is in date.

End of Year Expectations

Consistently and independently are key!

Reading

- retrieves information from text where there is competing (distracting) information
- identifies key words and phrases as evidence when making a point
- identifies the way descriptive language and small details are used to build an impression of an unfamiliar place
- identifies figurative and expressive language that builds a fuller picture of a character
- explains and justifies an opinion on the resolution of an issue/whole narrative
- summarises the main ideas of texts, including non-fiction
- identifies techniques used by the author to persuade the reader to feel sympathy or dislike
- justifies opinions of particular characters and/or settings
- distinguishes between fact and opinion
- makes deductions about the motives and feelings that might lay behind characters' words
- evaluates texts for their appeal for the intended audience
- predicts on the basis of mood or atmosphere how a character will behave in a particular setting
- understands how authors use a variety of sentence constructions
- listens to the opinions of others and adjusts own thinking/understanding where appropriate
- reads silently, with good understanding testing out different pronunciations of unfamiliar words with support
- self corrects spontaneously in order to enhance expression, intonation or to reinterpret what has been read

Teachers use an assessment framework to assess against.

Reading

In Year 4, children choose their reading books, with guidance!

Your child will have a reading record for them and yourselves to record their reading diet.

Your child will bring home 1/2 books from school a week – depending on the length of text.

We will collect Reading Records in on a **Friday**.

Remember that re-reading a text is important for consolidation, fluency, expression and comprehension

It's still important to listen to your child read and read to them.

Checking children's understanding of words, phrases and events is key... never assume that they know!

Your child must bring in the reading record every day

Every day reading supports fluency. Please write a comment about how they have read and sign the reading record **at least once a week** ready for us to change books on a Friday.

Reading Rockets

After the banded books, we have Reading Rockets which bridges the gap to Reading Raver.

Children have more independence here but are of course, still supported to ensure a varied reading diet.

texts!

Reading Ravers

Typically, children are choosing a range of age appropriate texts to share at home- recommended reads

A fluent reader is...

A child who is reading 90-95% of the words by sight

Understands what they are reading – verbally and in writing

Uses the punctuation to support their fluency

Uses a narrators voice who captures their audience

Uses intonation

Age-related reader

Your child should use:

- intonation that shows understanding.
- read words outside their vocabulary.
- self-correction
- reading accurately most polysyllabic and multi-morphemic words.
- read with accuracy and confidence, only occasionally needing help.

After reading, with an adult...

- spend time discussing the text.
- ask and answer questions about the text together.
- make plausible predictions.
- discuss the vocabulary and meaning of the language in the text.
- summarise main ideas.
- draw inferences and justify opinions.
- Remember that re-reading a text is important for consolidation, fluency, expression and comprehension
- Please use the school bookmark provided to support reading comprehension
- Reading together for enjoyment!

Year 4 age related text example

He'd forgotten all about the people in cloaks until he passed a group of them next to the baker's. He eyed them angrily as he passed. He didn't know why, but they made him uneasy. This lot were whispering excitedly, too, and he couldn't see a single collecting tin. It was on his way back past them, clutching a large doughnut in a bag, that he caught a few words of what they were saying.

'The Potters, that's right, that's what I heard –'

'– yes, their son, Harry –'

Mr Dursley stopped dead. Fear flooded him. He looked back at the whisperers as if he wanted to say something to them, but thought better of it.

- Why do you think Mr Dursley felt uneasy when he saw the people whispering?
- What does '*fear flooded him*' tell us about how Mr Dursley felt?
- How might the story change if he had spoken to the whisperers?
- Why do you think the author use the word '*whispering*' instead of '*talking*'?

The header features the logo 'Books for Topics' with a book icon, a search bar with the placeholder 'Search here...', and a navigation menu with links: 'New Books', 'Booklists by Topic', 'Booklists by Age', 'Reading for Pleasure', 'Seasonal Booklists', 'Resources', and 'Blog'. Below the header, a teal banner contains the text 'Handpicked For The Classroom' and 'Booklists For Your Next Topic'. A paragraph describes the booklists as recommended for primary curriculum topics like Romans, rainforests, plants, and poetry. A yellow button labeled 'Browse Topic Booklists' is positioned below the text. On the right side of the banner is a colorful illustration of educational icons including a globe, a rocket, a magnifying glass, and various letters. A purple cookie consent banner is visible in the bottom right corner of the website screenshot, and a Windows activation watermark is also present.

Writing

- Write for a range of purposes and audiences
- Create settings, characters and plot in narrative
- Use speech punctuation correctly most of the time
- Use a range of sentences and begin to vary the position of clauses within a sentence
- Use a range of conjunctions, adverbs, prepositions and pronouns for cohesion, detail and clarity (e.g. appropriate noun or pronoun to avoid repetition and adverbs to express time and cause)
- Use past and present tenses correctly, and include a wider range of verb forms (e.g. we were going; they have been)
- Use the range of punctuation taught up to and including Y4 mostly correctly (e.g. commas after adverbials; use of apostrophe)
- Spell correctly words from learning in previous year groups, and most words from the year 3/4 spellings
- Beginning to use a dictionary to check spellings
- Write legibly and with increasing fluency, paying attention to size and spacing
- Maintain the use of joined handwriting throughout independent writing.

As I walked through the woods, I found an old treehouse hidden in the branches of a big oak tree. Its wooden planks were rough and worn, making me think of exciting adventures. I could hardly believe my eyes! This forgotten place was now empty and dark. I wanted to see more of the forest's secrets. Without hesitation, I climbed the rickety ladder and entered through the lopsided, wooden door. "Hello?" I shouted, but only the echo of my own voice answered back. The treehouse stayed silent, but I was sure I could hear the creak of something moving above me.

This writer has to do this consistently in a range of pieces!

Abstract

Home Learning

Maths and Writing will be set weekly on Fridays at 3pm on Google Classroom. This needs to be submitted/uploaded to Google Classroom by 3pm the following Thursday. Your child will complete their home learning in the relevant home learning books, which are to stay at home.

Please mark their work with them so they get instant feedback.

Spellings are set weekly every Friday via Spelling Shed. The class will refer to the pattern throughout the week along with revisiting it. This is to ensure that spellings are applied in writing rather than just learning them for a test.

Please practise with your child. When writing, please use their spelling books to practise writing on lines.

The dictation includes words using the same spelling rule.
