Dear Parents/Carers

As we shared at Top Tips, in Nursery and Reception we ask for contributions from parents to cover replenishables. These include the cost of making playdough, sand, mud, cookery equipment and any additional resources to enhance learning.

Thank you so much to those of you who have already sent these to us. If you would like to contribute, please hand £15 in a named envelope to your class teacher.

Every contribution makes a big difference to our environment and what opportunities we are able to plan for your children.

Kind regards

The Early Years Team
